Thanks, Bill. I think it can wait a few more days.

Mike,

I haven't heard any word, but we would be able to check in with OMB on Tuesday on a regularly scheduled call. Do you need an update before then?

Bill - Any word from Aaron on this? Region 8 called me this afternoon and asked about the status.

Mike,

We did touch based with Aaron and, as you probably know, interagency comments on the latest package aren't due until next week. He did not express any reluctance about the **Ex. 5 - Deliberative Process** **Ex. 5 - Deliberative Process** We did not get any sense that a meeting **Ex. 5 - Deliberative Process** was needed or imminent, and are hopeful that that interagency comments that come back will confirm that.

Plus Bill, who has been handling while I'm unexpectedly out. Thanks.

It sounds like no one from R8 ever closed the loop with OMB about the Ex. 5 - Deliberative Process unless I've missed something, so hopefully we're all just in agreement on that and we don't have to argue it out further. Jim L. is out this week, so we'll reach out to Aaron directly to check on status, and push to set up a call later this week if needed to move this along.
